## Parent Teacher Fellowship

### PTF Mission

Our Parent Teacher Fellowship (PTF) exists to support student development through serving, strengthening, and connecting the NCA community.

### Membership

All parents, guardians, grandparents and even great-grands are automatically members of PTF. There are no membership process and no dues. You are a member simply by being involved!

### The PTF exist to:

- Promote parent involvement in school activities.
- Encourage teachers by providing parent support and assistance in the classroom.
- Provide financial assistance for special projects or needs of the school as PTF funds are available.
- Volunteer time and talents for special events and fundraising activities.
- Provide a mechanism for parents to meet and fellowship with other parents.

### PTF Leadership Board and Board Meetings

PTF has a volunteer Board that manages all the PTF programs throughout the school year. Our board, which consists of the PTF President, Vice-President, Treasurer, and Secretary/Communications. Other board members include committee chairpersons, who meet monthly to discuss all of the different committees and events we host throughout the year. The PTF President and Vice President work closely with our PTF Liaison, Corlyn Watson.
