

2024 Walk-a-Thon Funding Focus

We are Growing! Help Fund Our School Expansion

Academy & ELC Part:

Fund the Construction Costs

Your Part:

Help Equip The Expansion

Walk-a-Thon Funding Goal:

\$175,000

We Are Building Out Our School!

More classrooms will be added, renovated in both the Academy & Early Learning Center! Our health room, teacher workrooms and more will be renovated by the end of August.

A few project highlights: The 3rd floor of the Elementary NCA building and the large conference room in the ELC Wing will be transformed to expand the school footprint.

Raised funds will be allocated towards equipping the expansion with classroom technology, fixtures, student desks, furniture, & more. In addition, a small portion of the funds will go towards this year's NCA Educator Excellence Awards.

All students will benefit from these expansion upgrades. Careful and wise financial planning has made it possible for NCA to fund the construction/renovation of this vital school project.

The generous donations received through this year's Walk-a-Thon will shape the future of both the Academy & Early Learning Center.

Thank you for your invaluable contribution to your children's education and fostering lasting change in our school community.

To help reach our
Walk-a-Thon goal of \$175,000,
would you prayerfully consider donating
towards one or more of the essential school
expansion items needed?

For any inquiries please don't hesitate to reach out to us!
